

PAW PARTNER PACKAGES

Since 2008, Nate's Honor Animal Rescue Center has been dedicated to helping neglected, abandoned, and mistreated dogs and cats in need of loving homes. Together with committed staff, caring volunteers and an incredibly supportive community, we save thousands of homeless and at-risk animals each year at our eight-acre, no-kill shelter and adoption facility.

Soon we will celebrate a new era of impact with the grand opening of our expanded campus. This state-of-the-art facility includes a Welcome & Adoption Center, Veterinary Clinic, Training Center, Intake Building, and more. These advancements will double our capacity, enabling us to save even more animals and provide unparalleled resources to our community.

By becoming a Paw Partner, you'll play a pivotal role in this transformational time as we make history together. Your partnership will not only help save thousands of lives but will also position your brand as a champion of compassion, community, and progress.

This is more than sponsorship—it's a shared commitment to building a brighter future for homeless animals and the families who welcome them home. We invite you to join us as a vital partner in our mission and to be part of a story of hope and transformation that will inspire generations to come.
